**GOT PURPOSE ?
EXPRESS YOURSELF !**

Do you feel there is a gap between finding your purpose (INSIDE), in life or your career and how you express this to connect with people (OUT)? For many this is a lost opportunity and a source of stress. However it is also something you can work on.

Realise your own personal leadership potential.

The Inside Out Personal Leadership course from Quriouslife builds on your existing strengths & values and focuses on developing your purpose with the behavioural changes needed to confidently express yourself in today's life and business in line with your unique personality.

Past participants are saying:

“Refreshing to take some time to evaluate what is really important in life and what's making you happy”.

“Jos is a skilled facilitator and is clearly passionate about helping people to find their purpose in leadership, in their role or in their personal life. Highly recommended”.

Who is it for?

If you want to develop your personal purpose to have a more impactful connection with people, be it your customers, colleagues or partner, and you have a substantial life and career experience, then this is the course for you!

Your facilitator

Jos Weesjes is guided by his own personal experience while inspiring individuals and diverse teams of people across the globe. He can be best described as a facilitator of change for individuals, teams and organisations. A certified NLP team coach and a sought after trainer, facilitator and leadership change expert.
